### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Marvin Feldman on December 17, 2003.

The application has been amended as follows:

The added claim 26 in the amendment filed 11/19/2003, is misnumbered and should be renumbered as claim 28.

Additionally, previously presented claims 26 and 27, from the preliminary amendment filed 3/6/03, are dependent on claim 9. In the amendment filed 11/19/03, claim 9 is canceled and therefore claims 26 and 27 are also canceled.

### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claim 1, 12 and 22 include the limitation of a handle having a slotted recess for receiving a file for stowage and further comprising a permanent magnet disposed in the slotted recess to magnetically hold the file in the handle. Gringer, Panfili, Shea, Skarsten, Carpenter and Delano all fail to teach a handle with a slotted recess comprising a permanent magnet to slidably receive a stowable file nor would it have been obvious to combine references to achieve the claimed invention. Therefore, the application is free from the prior art.

Art Unit: 1744

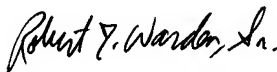

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
